Description of the NPO's Goals for the month

The month of August marks our first month as a registered NPO! Though we are still very new, we hope that we can positively impact the community and provide services that will be beneficial for everyone! This month we are launching the second of our 6 major projects, namely the Kids Dream Adventure after school care program. This will join our currently longstanding English Eikaiwa, Green Gables English Plus. Which was founded by Gwen Andrews in 2012. Our goal for this month is to show ourselves all around, so please don't hesitate to contact us if you have any questions or concerns! Also, please check out our Facebook page and web page (**see contact information below**) for the most recent updates to events and schedules for anything relate to the ALL NPO.
